

Product Notification

For Users of Apolipoprotein A-1 (Apo A-1) Assay (DZ141A-K)

Effective Date: May 01, 2022

Dear Valued Customer,

Diazyme Laboratories, Inc. would like to announce that the Apolipoprotein A-1 (Apo A-1) Assay Kit, (REF: DZ141A-K), will be changing fill volumes to the below configuration (part number - no change). This change will improve our ability to serve your testing needs.

New Kit Configuration:

Catalog No.	Configuration
DZ141A-K	R1: 1 x 26 mL R2: 1 x 10 mL

Current Kit Configuration:

Catalog No.	Configuration
DZ141A-K	R1: 4 x 70 mL R2: 2 x 50 mL

Your Diazyme sales representative will be in contact with you to provide updated pricing. Please share this information with your purchasing department to update configuration as described in table above.

If you have any questions regarding this product, please contact your Diazyme sales representative or use the following link for contact information: <https://www.diazyme.com/contact>

Thank you for your continued support of Diazyme Laboratories products.
